

Technical information

CE MARKING

Some of our products can be used as lifting accessories and as such bear the CE marking (awarded under the auto-certification scheme in accordance with the Machines Directive 2006/42).

Each product displays the following information

- Working Load Limit (WLL)
- CE marking, product origin, manufacturer's logo
- Materials
- Manufacturing batch serial number

Test coef: 3

 wichard.com

Products marked and sold in shops come with a notice in the form of a label that indicates the working load limit (WLL) to be applied in an industrial situation (lifting, etc.) and the working load (WL) to be applied in nautical situations.

Working Load (WL): for nautical applications.

Working Load Limit (WLL): for industrial applications only.
The safety factor is 5 times the breaking load.
 $WLL = \text{Breaking load} / 5$
